

Biography – Leonard Cleveland

Employment: Plumbing & pipe fitter

Born: Up-State New York

Military: Army 1955 – 1958

Places lived: Pennsylvania, Arizona, Utah, worked in Las /Vegas, currently in Santaquin, Utah

Weekend woodworker

Had some time off one weekend and cleaned out the shop. Found eight baseball bats (from 6 boys).

What to do with them? Cut out light houses & made sea shore bases, trees etc.

Ran out of bats and started looking for more wood.

Found a Shop Smith in the paper for \$300.00 and turned more light houses & some bird houses.

Dave Anthony saw some and he wanted to know if I did woodturning. I'm still trying, Dave!

Been turning for four years – still trying.
