## Message from the President

November - 2005

- Rex Burningham did our October demonstration at Timberline. He is a master turner and taught everyone about different ways to do texture and finish details on a bowl or platter. He did an excellent job and we are always pleased to have him. Thanks Rex
- Our next meeting will be at Clead Christiansen's shop in Ogden. This is a new place for Clead and it is loaded with equipment. Joe Wagner has agreed to help us get ready to turn some items for Christmas as well as demonstrate some expert techniques as well. You won't want to miss this. Note the driving direction of the back
- Our Third Thursday was done by Stuart Davey at Woodcraft. He had a great discussion about making Snowmen, Icicles and Christmas tree ornaments. Stuart pointed out the importance of drilling an "odd" number of holes to prevent "see thru". He showed how to take a globe and turn it into "ornament" or a "bird-house". Great evening and good discussion Stuart and everyone in attendance
- Pay attention to this...our Third Thursday training in November will be at Timberline in Orem. We have had requests to move this meeting around from time-to-time, so this is it
- Coincidentally, Timberline will be having their "Annual Sale" Wednesday Nov 16th thru Saturday the 19th from 10am to 6pm. We will hold our meeting Thursday from 7pm to 9pm. Richard has again asked us to provide two "turners" for four hour shifts each morning and afternoon of the four days. They will either compensate us or give a "super" deal on the purchase of some of their terrific tools. Please let me know if you would be interested in doing this, so I can schedule you in. This is really enjoyable. Join us
- Another item of interest, Woodcraft is moving the middle of November to 99th South just West of the Freeway to a new building with lots of space and new products. We will be there December for our annual Christmas party and potluck starting at 6pm
- Remember to do the Turners Challenge each month. The best one ( judged by me ) will receive a \$15.00 gift certificate from Craft Supplies USA. Any current member can enter

## Rex Burningham Detailing Turnings

We were thrilled to have Rex take time out of his busy schedule as a profession woodturner and part-time little league football coach, to come do a training for us. He has many years of experience and did an excellent job of teaching how to carve, decorate and color bowls and platters. He is an excellent instructor and did a great job of explaining each of the processes and techniques.

As I was unable to attend the meeting I cannot give specific details of each of the pictures so I will just let them speak for themselves.

Thanks again Rex for coming over and sharing your skills and talents
